“ I met Al through my workmate Lisa. We all had drinks on a number of occasions: my son's graduation party, Ford Field, the Detroit Beer Company ... What a nice, fun guy. The world will be a little emptier with out you brother.

Rest in peace

“ I am so sorry to hear of Albert's passing. Albert was my childhood friend. We met in the summer of 1967 at the 4-mile lake campground near Dexter, Michigan where we had many muddy adventures.

He was always 'up to something' in the lake or climbing the old apple trees that the campground was built around. If you haver read the comic strip 'Calvin and Hobbes', Albert was Calvin. Our rotten apple fights could last the weekend. I can clearly remember the thump-thump-thump sound of an apple hitting and rolling across the top of the trailer at 7:00 am, signaling that it was time to get up and resume combat.

We learned to row a boat there and where to look for frogs and crawdads. It was a different time then, when kids were sent outside play and told only to come back for lunch and to stop annoying their sister. I didn't have a sister, but I observed Albert and Melanie and took notes just in case.

I'm glad that he got to be a grandpa, its a lot of fun. I am not surprised to learn that he loved dogs and was involved in greyhound rescue. His dog back when was named Sassy and she lived a long and pampered life as I suspect all of his dogs have done. I will always remember Albert and feel fortunate to have known him. You have my deepest sympathy.

Mark, you brightened Al's days with your letters and the things you sent. He enjoyed catching me up on your life and retelling stories of Four Mile Lake. He was fortunate, as well, to have you as a friend. Best, Melanie

“ We are honored to have been friends, even for just a couple years. We met due to his love for a greyhound named Kip, who was adopted by him and his wife. Al was such a kind person. We will miss him.
