“ We are deeply sorry that we were unable to attend the service today. But we were able to stream it live with Dad and Mom. You are all in our thoughts and prayers, Uncle Albert and Aunt Lorraine are deeply missed. Uncle Albert was a kind, gentle and thoughtful man. We always enjoyed visiting with him and listening to the stories he would share when dad and him were out pheasant hunting and other past shenanigans they shared!! But one of our fondest memories is seeing him and Aunt Lorraine dancing, we're sure they are dancing in heaven!!

“ We send our deepest condolences to the family and friends of Uncle Albert. He will be greatly missed by all that had the pleasure of knowing him. He lit up the entire room the moment that he walked into it; with his humor, good spirit, and kind words. I have never heard an ill word spoken against him. His high work ethics, and his love and dedication to his family are evident by the success he has shown by raising six extraordinary children. He led by good example, and I am sure that his fine attributes will be passed on for generations yet to come. Although he will be sorely missed by many, I hope that some comfort can be found by knowing that he is now with Aunt Lorain and Rob.
With all our love, Doug and Pam, Doug and Emily, Alan and Alexandria.

“ Grandpa Prill will be greatly missed by everyone who knew him. He was always so kind, and would never hesitate to lend a helping hand to anyone who needed it. Any time you got a new car, he'd be excited for you to take him on a test drive, and fill up your tank. Whenever you hit any major milestone in your life, he'd always be interested in hearing all about it, and tell you how proud he is of you. I'll always remember the great times with him playing cards and games, telling jokes, and swapping stories.

“ Al was a dear friend, always there with a helping hand or welcome advice on how to solve the problem at hand. He loved being with people, and going out for dinner with the “group” after a fun afternoon playing cards. He will be so missed, his gracious personality and always a wonderful smile. Rest In Peace good friend.

“ *If Lead by example is a character mantra then Albert Prill was an outstanding example. If you wanted to know how to be a good neighbor all you had to do was watch my dad. He helped his neighbors fix things that were broken, blow out sprinkler systems and never took any money for it. He said, “That is what neighbors do.” He was always available for a chat and maybe a beer to go with it. If you wanted to know how you should be at work watch Albert Prill. He was loyal to his employer and put the company first. “If you were hired by a company then you were there to do what you were hired to do” Albert Said. He always arrived early and put in a full shift. Ford Motor Co. rewarded my dad for his jobs so well done. The adjustments and parts he created earned him an occasional appreciation bonus.*

If you want to know how to raise a family, all you had to do is watch Albert Prill. He loved his wife and children deeply, always had their respect and love in return. He took his family to church each Sunday, made sure they new Jesus and now he is in Heaven hearing God say, “Well done good and faithful servant.” We will always miss you dad. We lose a loved one and I’m reminded that this is a bruise on your heart that will never completely heal and occasionally someone will bump it. Find peace in Christ Dad. We always love you. Until we meet again.
