“ Our community has lost two of his pillars. Both very low-key yet very involved with our community. I was privileged to know them for many years and have many fond memories of the entire family. My schedule does not allow me to be with you at your service but my prayers are there in my thoughts are there. They have put a very positive mark in Clinton Township

“ When I met Sandy, it was 2008. She came to my office for QuickBooks training with three other students. I started the class, and she interrupted to ask when would we get to the stuff she wanted to learn. I asked the other students if they minded we went there first. So we covered what Sandy wanted to learn, and then she left. On her way out I told her she paid money for the whole class. She said I learned what I wanted. Keep the money and consider it a down payment on phone calls and help in the future. From that point forward, we had a really cool relationship. When we would chat on the phone maybe 15 minutes of it was QuickBooks stuff, and the rest was chatting away about everything that came into our brains. Of course I didn't charge for any of that, because she quickly became my friend. Always made me laugh. Always made me smile. My heart goes out to Luigi and the rest of his family.

“ Sandy always brought with her the "sunshine" and spread it to everyone she met. Our condolences, special prayers and love for the entire family. We will always remember the "dynamic duo" . . . Sandy and Mario.
