“ *I've already had to say goodbye to most of the heroes I've ever had. Last night we lost another. It is impossible to put into words the impact that this man has had on my life. From the first time we met he was the embodiment of what any man should aspire to be. I'm honored to have had the privilege to break bread and share stories at his table. Rest easy, Al, I'll do my best to follow your example and take care of your family. You'll forever be in our hearts and on our minds.*
