“ Angel always had a smile on her face when ever we saw her around the Seawatch condos. Her friendly smile and bright greetings could even light up a dreary Michigan day. My wife frequently exercised in the pool with Angel and had a good time discussing what ladies discuss. We will truly miss her. We have made a donation to the Capuchin Soup Kitchen in Angel's memory.

“ Angel and I worked together at the bank in Buckley in the 1980,s, been friends ever since. We had some wonderful trips and times spent together. She was a friend to all if you knew her for an hour or many years, caring, loving, faithful friend. I will miss you dear friend, rest in peace, always in my heart. Love you.

“ Beautiful Angel, so appropriately named, you left such a legacy. I cherish our times together -- karoake, singing, laughing, dancing, the many phone calls and talks we had,..... The ONLY consolation I can find, dear friend, is that when you were called 'home' that you did not have to suffer a painful, debilitating disease. Your wings were ready but my, and our, hearts were not and we are crying so hard. RIP sweet friend, we love you and miss you tremendously.

“ *It is with heavy hearts that we learned of Angel's passing. She won the hearts of all of the Riverview Elementary School staff and brought her beautiful smile and joy to hundreds of children in the library! Angel was certainly named correctly! God now has one of the very best and I'm sure she is a bright beam in heaven! ✨ Love and condolences to her family and friends! 💕*

“Mrs. Ackley was my elementary school librarian, and to this day I credit my love of books and libraries and reading to her. When I was in elementary school, I remember walking over to help Mrs. Ackley organize the library over summers. In high school, she heard I was having trouble driving and contacted my parents to volunteer to practice parallel parking with me. When I graduated, she invited me and a few other Riverview Elementary School grads over to her house for food to congratulate us. She was the kindest soul and will be remembered so very fondly.

From Angel's SeaWatch condo community:

We will remember her friendly demeanor and big smile for one and all and she will be greatly missed. She organized the sing-along during the COVID winter shut down, trips to Karaoke and concerts and helped many in our community with their needs. Our thoughts and prayers are with her daughter, grandkids and whole family during this very difficult time.

Her parents could not have given her a more appropriate name. I have never met a person more full of joy and happiness. She was special and we will miss her and that big, beautiful smile she never seemed to be without.

She was always a ray of sunshine with her infectious smile and her genuine interest in others. Rest in peace Angel. She will be missed by all who had the pleasure of knowing her. Prayers for her family.

RIP Angel. I only knew you for a very brief time but you were always smiling and welcoming. You will be missed. You were an Angel on earth.

A beautiful person inside and out. We will so miss our pool Buddy. Love you!

Angel was such a sweetheart; she always had a smile on her face and cared so deeply about everyone.

“ I am heartbroken. Angel was such a kind, dear friend. She was beautiful inside and out and was always smiling! Angel graduated from St David HS in 1970 and was helping to plan the 50-year Reunion with the Classes of '70, '71 & '72. Angel and I worked together at Kresge's when she was 17 and I was 16. She was the glue that kept the "Kresge Girls" (6 young girls) in touch through the years. The six of us celebrated knowing each other for 50 years in 2019. Angel was a special person who lit up a room when she came in. She made everyone she met feel loved. She will be greatly missed by many friends, neighbors, and, most of all, her family. Love you, Angel! You will always have a special place in my heart.

Eternal rest grant unto Angel, O Lord, and let perpetual light shine upon her. May her soul and all the souls of the faithful departed, through the mercy of God, rest in peace. Amen.

“ Angel and I worked together way back! She has been a one-of-a-kind friend over the years and I will miss her dearly. She and Bill bought their first home from us and were neighbors for many years until they moved to Big Rapids. She truly was a gift from heaven to all who were in contact with her. Her beautiful smile and happy greetings to all were blessings of the best kind. I love you, dear friend!!!

*“ We used to tell Angel that she had the perfect name because It completely described her. She had to be the most positive neighbor we knew, always smiling and happy. It was always a pleasure to talk with Angel as she made us feel good. Her love for others was so beautiful. We will miss her greatly.

“ Friends since high school. Angel lit up every room she entered with her smile and her laugh. Her family was her priority and light of her life! We traveled to Italy together 2 years ago and were planning a trip to northern MI next spring. I will miss our time together! Angel, you are now truly an Angel in heaven with Bill.
