“ Mrs. Chirco's beauty and fashion was an inspiration to me growing up but it wasn't until I became a mother that I realized how incredible she was. Mrs. Chirco was always generous with time her time and energy, which is ironic considering her timekeeping. I sometimes wonder why she was not annoyed at having a teenager (me) constantly in her home, but she was too busy creating happiness for everyone else that she didn't have time focus on the negative. When I'm stressed I think about how Mrs. Chirco always chose to be positive and kind, her memory is an example of how to love each other.

*To the family of Angie Chirco: We extend heartfelt condolences and offer prayers at the sad news of Angie's passing. Hopefully, these thoughts and sentiments will give you strength and solace to support you at the loss of your wonderful wife and mother. We remember Angie as a beautiful person with a charming smile and warm, pleasant personality. She was a thoughtful, considerate person who let you know she was thinking of you when you needed it most. Appropriate words escape us at the passing of this wonderful lady. As comfort, we offer Tony and their family the words inscribed on the cemetery gates in Cinisi: "FUORE LA LUCE DEL SOLE. DENTRO LA LUCE DEL SIGNORE" / Outside the light of the sun. Into the light of the Lord. Addio! May she Rest In Peace in the light of the Lord! May God Bless her soul and give strength, comfort, and peace to her family!*
