“ Dear Reggie, Lucy and family. Our deepest sympathy on the loss of your beloved mother, grandmother and great-grandmother. We were always welcomed with her warm smile no matter when we showed up and within minutes there was a delicious spread and the best coffee on the table. The basket of wool was always by her chair so when she sat after a long day she could crochet. Her hands were always busy. We are glad she is no longer in pain and may she Rest In Peace. Giuseppa and Rose

Dear Aunt Nancy, thank you for smiling with me during the happy times in my life but for all the words of encouragement and support during the difficult times. You will be greatly missed but fondly remembered. Rest In Peace. Rose
