

## Antonina Maria Ferlito

February 19, 1935 - November 2, 2021

Antonina Maria Ferlito was born on February 19, 1935. She passed away on November 2, 2021 at age 86. Her friends called her Toni and her late brother, Giuseppe (Joe) Amore, called her Nina.

Toni was predeceased by her beloved husband and high school sweetheart, Joseph Ferlito. They were married for 35 years. Together, they raised four children: Leeann Ferlito (Dr. Randall McGregor), Niella Neubauer (Greg), John Ferlito (Sheryl) and Benny Ferlito (Shari). She was adored by nine grandchildren who called her "Nonnie" and four great grandchildren who referred to her as "Great Nonnie." During her spare time, Toni enjoyed spending time with family, volunteering for her church, attending live musicals, and traveling.

For years, Toni was a gifted hair stylist. In midlife, she and Joe owned and operated Ferlito's Restaurant in Grosse Pointe Woods, Michigan. After the death of her husband Joe, her son Ben became her business partner. Thirty-five years of hospitality and sharing the wonderful food of her Italian heritage was pure joy for Toni Ferlito. She retired at 80 years old.

“ I hope that it is never too late to pay tribute to someone you truly care about. Though I moved from Michigan more than 20 years ago, Toni is someone that made an impression that will last my lifetime. When my best friend Leeann dragged me home from high school, Toni and (Mr Ferlito) welcomed me into their home, fed me the most amazing food, gave me advice and generally kept me out of the ditches for several years. Toni was also my hairdresser for many many years. Thinking of her this afternoon, and doing an Internet search, I was sad to see that I missed her passing by almost 2 years. To Leeann, Niella, John and Ben- I offer my sincere condolences as you prepare to honor your mom on the second anniversary of her arrival in Heaven.

“ Toni, a class act. Few words can describe her better. Known as Nonnie to all friends and family, as well as neighborhood children and my daughter Alyssa, Nonnie showed love and respect for all. Family and friends are blessed to have had Nonnie in our lives. She will be missed.

“ *It was with tremendous sadness that Tim and I learned of Toni’s passing. She was a bright light in this world. We will never forget the time Leeann told Toni that we had an overnight layover in Detroit and we were staying at the hotel at the airport. Lee was in Detroit at the time and she and Toni drove the 45 minutes each way to collect us and take us to Ferlito’s restaurant. Oh what a fabulous night! Joined by Niella, we proceeded to sample EVERYTHING on the menu, with Toni dictating what we ate and drank that evening with the perfection of a conductor! We all laughed and lingered over fabulous food and wines and Toni refused to take one penny for the best Italian meal we’d ever had in our life! Or will have, I might add. We both loved Toni and will always love Toni. She was our kind of gal - full of life and love and giving. To Lee and Niella and Ben and John, please know your mother will continue to be loved and cherished. Her memory lives on in many hearts. Certainly in ours. ❤️ Karen & Tim Foote*

*It was a FUN night at Ferlito's restaurant! Mom was not the least bit daunted by the early snowstorm that started as we drove you back to the airport that night. A full immersion of the Ferlito's restaurant hospitality. Thank you for pulling up those memories!*

“ Every once in awhile on life's journey, one meets an individual whom you know, in an instant, God has been placed on this earth for a reason. Whatever Toni's childhood and upbringing, it all culminated into fashioning the strong, intelligent, moral, caring and charismatic woman that she was. Though our paths rarely crossed, each time conversation flowed like she'd been family all my life. She was a good listener and confident to offer sage advice delivered with warmth and a smile. Given her years at the restaurant, as a hair dresser, as a mother, grandmother, great grandmother and avid church parishioner, one can only imagine the number of lives she's influenced or brightened through her friendship and sharing of herself. This is a lovely picture of Toni with her perfect smile and is as I remember her. We thank her for the gift of her progeny who carry aspects of Toni within, sharing those wonderful traits with friends and family. Toni lives on in each of them and for that, we can be grateful! Our deepest condolences to the family over the loss of this precious treasure. Toni is not an individual who can be forgotten. We carry her memory in our hearts.  
Love, Pris and Bill Stoddard

“ We have many, many wonderful memories of time spent with Toni. She was always so gracious, friendly and welcoming. From dinners and visits at her lovely home, to times by the pool, to going out and having her visit us up north. She was a delight so kind, helpful and ever so thoughtful. We are deeply saddened to see her gone and know that she will be sorely missed. The family is in our thoughts and prayers. Love, Kaye and Mike Duika

“ To the Ferlito's Family, I am so sorry for your loss. Toni meant a lot to me and she was a very important person in my life while I was growing up. Since I spent a lot of my time working during my childhood at the restaurant, Toni was always there to provide me with guidance and support. She truly was a second mother to me and I really appreciated that. She will be forever missed.

Gregory Hoenle - November 08, 2021 at 03:29 PM

Thank you, Greg, for your heartfelt words. You were blessed with her guidance and support like so many that she cared about. So many have described her as a second mother, a mentor, etc. Toni definitely made the world a better place.

“ I'll never forget the week after I turned 14 yrs old; Toni told me to come up to Ferlito's to interview for a job. This was after at least 8 phone calls over the course of 3 weeks. I rode my bike up to the restaurant, hair still wet from swimming, I was so excited to possibly get my first real job. Toni sat me down and told me she didn't normally hire table bussers so young but, because of my persistence she was “willing to take a chance on me and I better not make her regret it”. At that time I was starting my first “job”, it wasn't until I was much older and more mature that I would realize it was more than just a job, it was an incredible start with teachings to what life was going to be. Toni not only gave me a chance to make money, she helped lay the foundation to a life of hard work, dedication, and commitment; I still tell people this story several times a year. I've had to explain to people why at 30 I was still including a job on my resume I had from 14-18 yrs old, I'd tell them that it showed character that someone so young could work at a place while in high school for so long. It's character that Toni Ferlito helped me build, not only as a boss but a loving mentor with a heart so big. Toni is one of a handful of people who made a great impact in my life and I will miss her so dearly. 15+ years after my time at Ferlito's I would still leave with a warm hug from Toni and a full belly any time I would visit. Those hugs I will remember, those hugs I will miss. My condolences go out to Toni's entire family, all of her friends, and everyone she touched while listening to stories as patrons enjoyed the comforts of fine Italian cuisine in the most welcoming place that always felt like a home away from home.

*I was lucky enough to know Toni for 50 years. To know her was to love her. Toni taught me so much about life while talking over coffee, sitting by the pool or while out on one of our many adventures. Toni was a second Mother to me, the sister I never had and was also one of my best friends. She was always the first one there with food, help or advice when I brought a new baby home from the hospital and the first to step up when I didn't feel well. She was one of the kindest as well as one of the strongest women I have known. She loved her children, grandchildren and great grandchildren fiercely. Someone like Toni comes along once in a lifetime ~ if you are lucky. If Toni could tell us how she wanted us to remember her ~ she would say to dry your tears and smile ~ that will not be hard for me ~ I will always smile when I think of Toni.*

“ My heart goes out to the whole family.  
 This is so heart wrenching for so many.  
 I met Toni ( my new boss) at Ferlito's so the saying is ... I came with the restaurant. My first thought was wow !! This lady is beautiful, her style and sophistication was like no other.....I was in Awe of her !!  
 I never thought at that time this woman would have such an impact on my life.  
 At Ferlito's restaurant I quickly became BFFs with Niella, we went everywhere together even work.  
 I spent lots of time in the Ferlito pool, and was always around for parties and even stop by on holidays to see my second family.  
 When Joe passed away Toni was heartbroken as they were the couple I wished I would be one day. I was single at the time and we saw a lot of each other, and I loved it !!  
 My Toni ( is what I called her) and I went on so many trips together, First train ride was with my Toni. We saw Lion King, Show Boat, Phantom of the Opera to name a few. We had a blast ! I could call her last minute and say, "let's go shopping and out to lunch/ dinner"sometimes both in one day. I have so many memories of this amazing woman .  
 I could talk to her about anything and she did not hold back on her opinion, even if I didn't want to hear it. We laughed we cried ..I adored her !! She was not only my second Mom but a best friend as well. I used to say to her, "Who can say my two best friends are Mother and Daughter." I was blessed to have known her !!  
 There is a part of my heart that went with her !!  
 I loved that woman so very much !!

Love and prayers to the whole family
