“ One of the most beautiful sweet souls I have ever met, with a husband that adores her more than life itself. An amazing wife who supported Greg in all his adventures especially his love of hockey and the boys that came with it. Such a loving mother, grandmother, and friend, and wife. Forever grateful to have met this spirit and it warms my heart to know that she has blessed so many friends and family with her big smile and heart. Thankful that hockey brought us together. Our thoughts and prayers are with the entire family during this difficult time. May the memories get you through the tough times ahead.

“ *Every memory I have of Aunt April consists of her overwhelming kindness and generosity. She was the true epitome of what a mother should be and I know how much Stacy and Kristin benefited from having her as a mom. She always put her daughters first. I will always remember her as a strong, caring and compassionate person and she instilled those same attributes into her two amazing daughters, Kristin and Stacy. I know they were so fortunate to have her as an amazing role model, a true best friend and a loving mom. Thinking of all of you during this very difficult time.*

“ When I started at GTB a few years ago, I was looking for an ATM that used to be located in the common area on the first floor. Not finding it, I went to April to ask if the ATM had been moved. She told me that the ATM had been removed and handed me \$20 out of her wallet. I was astonished and told her that I could drive to a nearby ATM at lunch, but she insisted.

*I paid her back the next day, but her incredible generosity still touches me to this day. Thank you, April!*

“ April, I am so saddened to hear of your passing. I have missed seeing you over the past couple years, and stopping to talk whenever I was passing by your office. I miss your smile, your kindness, and your genuine friendship. It was always a pleasure working with you and your team on building security and other facilities issues, and I always appreciated the partnership you fostered. And I also appreciated how you continued to treat me the same even after I left those roles.

*I still wear the April Strong bracelet your husband gave us when you first became ill, and I still think of you all the time. We pray for you regularly in our prayer group, and we'll be praying for you and your family (and everyone else who knew you) when we meet again tomorrow.*

*A funny memory I will hang onto is how virtually every time I took my family to Cedar Point over the past 15 years, I would invariably hear someone from the crowd yell "Bill!" only to turn around and find out you had chosen the same day to be there with your family! It wasn't long before I was keeping an eye out, expecting to see you every time, and it always amazed me how many times that happened!*

*You will be missed more than I can say, but you will never be forgotten. I am comforted in knowing what a wonderful family you have surrounding you, and I will be praying for them in this time of need. God bless you, April, may you rest in peace!*
