“ I didn't know that my friend, Bonnie, has died. So many wonderful memories: neighbors on Sunderland, classmates at Cooke School, Brownies and Girl Scouts, friends through our teen years and bridesmaids in each other's weddings. We continued our friendship with our families. Bonnie has been such a big part of my life for always. I am so sad We didn't have a chance to say goodbye. May she be at peace.

We just learned of Bonnie's passing, and must say that a big ol' chunk of heartwarming memories came flooding in. For Pat...Crazy/fun times spent as "best" friends and KSO Sorority Sisters at RHS.  
Spending hours working up the KSO line dance in her 3rd story bedroom on Warwick, laughing and crying over the various "boys" twisting at our hearts, cruising Daly's and Big Boy and Geiger's in our friend Carole's big ol Bonneville convertible....teenage years at their VERY BEST!  
Then, for Steve and Pat, tying up down the road in later years, to work together on the Class of 62 reunion comittees..only to find that the old bonds still held strong.  
Bonnie was a very special, loving, trusting spirit; who took the hard knocks of life in stride and trusted that God had her. He did..and He does. RIP dear "old" friend.  
💕🙏  
With great fondness and sincere condolences to her family.

“ Dear Family, Bonnie and I go back to starting Cooke elementary school together and have always been dear friends through school, reunion committees, golf outings and growing old together. I talked to her last Christmas and being Bonnie she shared some of her health issues with me but I am sure held back some of them so ni wouldn't be upset and worry. She was a special lady who suffered any painful personal and health issues throughout her life. She was loved by many including myself and will be missed. My love to you her family and she will always have a piece of my heart. May she rest-in peace. My love, Jim Garpow

“ To the Iseman Family,  
Bonnie was a coworker and a dear friend of mine for many years. She took me to my first Nascar Race! We shared laughs, tears of joy, and tears of sadness. I always admired her perserverance. I know there were many days that were difficult for her to get out of the bed yet, there she was at work bright and early!  
My condolences to the family, she was very proud of you and I know she is with you in spirit. She will be missed.
