“ *Our family will always remember Bonnie as one of the coolest, sweetest ladies in our neighborhood. It seemed like she was always smiling, always an inviting & warm open heart. Bonnie had a great sense of humor that has to be genetic because you can experience the same in both Lori and Jamie as well as other kinfolk. If you knew this lady, you knew sunshine even in the rain. Our heart is with the family & friends. No one really knows what to say when a loved one leaves us. What I DO want to say is that this sassy lady will be sorely missed. God bless the family during this time of mourning, grief and healing.*

Sincerely, with love,
The Mayes family
