

## Brennan Alec Shoupe

January 17, 1967 - April 16, 2020

SHOUBE, Brennan Alec. April 16, 2020. Age 53. Beloved husband of Cheryl . Loving father of Nicholas (Rachel), Dustin (Kelly), and Dylan. The most amazing Pappy of Hailee, Rebecca, Maegan, Alexis, and Abigail. Dog-dad of Jax, Jemma, and Sophie. Beloved brother, uncle and friend to many. He loved his wife and family with everything he had. He was devoted to providing for his family as the Night Shift Plant Manager at Futuramic Tool and Engineering. His boys like to believe he is playing guitar at the feet of the Lord, awaiting his family in Heaven, free from pain and struggle.

His family is planning a Celebration dedicated to his life, to come at a later date.

“ *Mr. Shoupe was a great guy and was always easy to talk to whenever at the house. I remember a time when me and Dustin were in the basement jamming out our guitars and Mr. Shoupe came down the stairs with a big smile on his face. He ended up showing me a couple things on the guitar and watching his son and I play whatever music we were in to at the time. Thank you for the great memories Mr. Shoupe, you are truly missed. God Bless*

“ *All though I've only known you for a few years, I felt an immediate connection to your kind, gentle soul. A fellow middle aged man molded and shaped by the streets of the East side, rooted in deep family values. Then I found out you were a rocker and guitar player and I wished I could have known you years earlier. You were blessed with the love of your life early in life and raised and supported three wonderful boys. Then became a blessed grandpa. I cherished the short time we had together and will think of you every time I hear Metallica now. Rock on, Brother. I look forward to strumming a few chords with you somewhere down the road...*

“ When I came to the shop I was nervous and not use to the systems here. You didn't know me from Adam but you took me under your wing and helped me figure things out. You calmed me down when I was angry., and always helped me no matter what you where doing. You were the best boss I ever had and the strongest fighter I'd ever known. You will be missed by many RIP Ben you were one of a kind

“ We have noticed people have had trouble using the sign in with Facebook to share a memory. If you would like to share use your name and email. Much easier.

“ What a kind soul. It was always a pleasure speaking to him whenever our paths would cross at Futuramic. A true professional who was great at all aspects of his job. I'm glad to say that he passed that onto his son, Dustin. He will be missed.

“ Growing up best friends with Dustin I had the great privilege of being able to spend a lot of time at the Shoupe household growing up. The Shoupes became a second family to me and I always felt welcomed there. Ben was a hard worker, loving husband, father, and grandfather. When I made the change to CNC at work I got to know Ben ever more when he was my boss. He taught me a majority of everything I know in the trade and he was always there for me if I had any questions. He was one of the most liked and respected men I have ever been around and that speaks to his high character. My heart breaks and grieves for him and my second family. May the lord be with you all during this time and may Ben be at peace and in no pain. I love you all!

“ Ben was my best boss ever. He saw the potential in me to teach me everything he could about CNC. I am eternally grateful for that. Ben was my "Work Dad" and I looked up to him. You will be missed.

“ Ben worked with my husband Clint at Futuramic for many many years. The two were quite close. He stood up in our wedding and a few summers ago we went with your family to a park to watch a meteor shower. Our hearts are deeply saddened for this loss. Prayer to your family for comfort.
