“ *When we moved to Hazelnut ct we had no idea we would meet two of our best friends. Bruce and Cindy have been like family to us. We have had so many fun times together. We will never forget the fish fry parties, July 4th celebrations, our trips to TC, Christmas parties, pumpkin carving, camping at Luna pier, weddings and sadly funerals. You were there for us anytime we needed a friend. We will never forget our wonderful friendship with you. Greg and I were truly blessed to have known you. Don't worry buddy we will be there for Cindy, we've got your back just like you always had ours. All our love Greg and Rene Lathrop*

“ *Bruce and Cindy,
You two and all of the Choinski clan became my family, always with a friendly smile and a hug and warmth. The parties at your home were days to look forward to for fun and friendship and music and plenty of great food. As Kent and Ed have left us, so now has Bruce as well and it saddens me greatly. Know that I am always close by and ready to assist you and extend hugs. Bruce will always be remembered for his fun attitude to enjoy life and enjoy those you are with. I never heard him utter a harsh word to or about anyone. Bruce's memory will be truly treasured fondly by all who met him.*

“ Bruce was someone that we loved being around.. the way he loved his wife/Admiral was a beautiful thing.. His teasing way, humor and knowledge of his trade was something both John and I adored about Bruce.. I could write so much more because he had that special way about him..so here is our little tribute to Our Buddy who is gone and will Never be forgotten. He left this world a better place and we are thankful to have been a part of it the last 7 years...

Dearest FB friends and family,
Please say a prayer for our dear friend Cindy Choinski who will be laying her soulmate, love of her life, best friend and fishing partner to rest this weekend. He was loved by many especially those of us at the RNYC. We will Miss your collectic humor, big hugs and the best bonfires ever.. may God bless those you leave behind and give you free reign of fishing among the stars. We love you and will miss you terribly!!

“ *Bruce,Buddy. Sure going to miss you in all our lives. Still remember when we were shooting darts when you met the love of your life Cindy. Who would have known how blessed that would turn out. Also the many 4th. Of July Party's/Anniversary ❤️ Events. March fish frys. Luna pier fishing charters etc. etc. When I was bringing my Boat on its maiden Voyage from Port Clinton to Algonac in 5-6 footers and ready to turn around and you called me on your cell from Luna Pier and told me the winds were settling down and I should have smooth trip home soon. You were right. Anyone who had you for a friend was blessed and had a true friend for life. Vicky and I are sure going to miss you and especially those Happy Birthday post every year. 😞.*
