“ To Bryan's family and friends,  
This leaves a huge hole in many hearts as Bryan touched many lives. As his mother- I am beyond thankful that he moved back to Michigan 3.5 years ago after living in PA for about 23 years. He met the love of his life upon returning to MI- Anita and their 2 dogs Bella and Carlo. Bryan, Anita, Tammi (his sister) and Brian (Tammi's husband) , Larry (Bryan's stepdad) and I were able to travel several times in 2020. Larry became the father to Bryan that he had never had before- golfing, comparing cooking, eating at new restaurants, etc. Bryan was always ready to lend a helping hand no matter what was needed or the time of day that it was needed! So many have mentioned his "smile" which could light up a room. We have a strong family and wonderful friends which helps so much. When the pandemic is less of a concern we will have a gathering to laugh and share stories about Bry. He is with us in spirit.  
Till we meet again Bry!  
Love Mom and Larry

When Bryan first arrived in Gettysburg, he worked for me at General Lee's Restaurant. He was a talented chef. My daughter Jackie who was 4 years younger than Bryan also worked at the restaurant and had a huge crush on him. We all remained friends and when Jackie was killed in 2007 by a drugged driver (she was 31 and had just finished her 1st year of a 3 year grad school program) Bryan was supportive. The death of your child at any age is a grief like no other. My thoughts and prayers are with you and your family.

“ *Bryan*

*You will forever live in my memory as the smart, kind, upbeat, good-humored, loving son who was a great conversationalist.*

*It seems like it was yesterday, you had just recently returned to Michigan and accompanied your mom to 24 Seconds in Berkley, where she was meeting up with some old friends and colleagues. I recall how much fun and what a great conversation we all had that day. Each time I saw you your welcoming approach and knowledge on a variety of subjects made it enjoyable to have a conversation with you. I like to think you are having wonderful conversations with family and friends who have gone before you in heaven.*

*While my heart breaks today, especially for your mom, Tammy, Anita, and the rest of your family, I am grateful that you moved back to Michigan where you were able to meet Anita and spend more time with family and friends. As the saying goes “Death leaves a heartache no one can heal, Love leaves a memory no one can steal” - and I really hope your loved ones find some solace in the loving memories you made together.*

*RIP*

“ Our Dear Bryan<

*You have been a great nephew. We all love you greatly and will miss your beaming smile, your upbeat personality and your great laugh! I'll miss hearing about all the great dishes that you've made and your love for cooking. What a great chef!!! You always had great ideas about new things to cook but about a lot of entrepreneurial things as well, I will greatly miss those conversations. You accomplished so much and had so much more to offer. Smart as a whip, a gentleman always ..... and an immense love for his family and friends.*

*You are now with Grandma, Grandpa, other family members and friends in Heaven, so make sure you make a great dish for them too.... I know they'll love it! Miss you already.....Love you, Aunt Sandi*
