“ *We send you our deepest condolences for your mother's/grandmothers transition to heaven. I remember well the times spent in the past with the Mazzara and LaSala families when we all lived on the west side of Detroit. At long last she is reunited with Mary and Sig. Paolo. Stay strong.*

“ I will always remember you Signora Maltese in a very loving way. Knew you for a very long time. You were always full of energy that was unmatched. You always greeted me with a smile. No matter what you baked or cooked was always delicious. I remember the many times at your dining room table and enjoying what you cooked and not to mention the card playing which I was never good at. I am sure you are busy right now cooking things up in heaven. May you Rest In Peace Signora Maltese. I will always remember you. Angie Milana.
