“ *My Dearest Zimny family,*

*Walter, Erin, Todd, Alex and Elizabeth,
Phillip and Stephanie, Andrew and Jackie,
and all Carol's beloved siblings,*

My heart reaches out to touch each and everyone of you.

I grieve with all of you, at the loss of my dearest friend, and the friendship I have always treasured.

I am also saddened that the distance and Covid, does not allow me to be with you all at this time.

The heart shaped flower bouquet--every flower, every petal--symbolizes the beauty and grandeur of Carol's life of love.

The flowers express--what mere words cannot express.

The flowers express-- all the splendid and wonderful memories we have of Carol.

The flowers express her life--a life that was full and radiant.

The magnificence of the flowers express--all the many ways she touched each and everyone of us, in more ways than we could ever describe.

Each flower represents how each and everyone of us will live more radiantly, and love more deeply, because she loved us.

With all my love and a tender embrace,

Blanche Rachelle Trerice

“ I knew Carol from the Charles Terrace Projects in Detroit in the early 1960s. She was one of the smartest kids in the neighborhood and a natural leader. Carol, her brother Greg, me, and Bobby Thompson would hang out together. I still remember the day she taught us to spell Mississippi. We were all 5 or 6 years old at the time. Sadly, Bobby passed away a few years ago, too. I will always remember Carol and give my deep condolences to her family.

“ Walter, Erin, Philip and Andrew,

My deepest condolences to you all. You all should be so proud of what loving care of her that you took. Her family was her life and she talked about all of you and her grandchildren so much. Remember the good times and memories and keep them close to your heart always.

I will miss my dear friend Carol of 41 years. She was a blessing in my life and I could always count on her for her great wisdom, advise and friendship.

She was one of a kind!

Love,

Debbie
