

## Cathy J. Sobczynski

August 13, 1952 - June 13, 2021

Cathy J. Sobczynski (Pendrock) of Sterling Heights passed away on June 13, 2021 at age 68. Cathy suffered from corticobasal degeneration (CBD), a rare progressive neurological disease that took her away far too soon. Cathy is survived by Ron, her beloved husband of 48 years; daughters Amy (Scott), Cari (Shannon), Lisa and Holly; granddaughters, Brianne, Caelan, McKenna, and Leighton; cherished sister, Debby (David) Roberts. She was preceded in death by her parents, Edward and Peggy Pendrock of Port Huron. Cathy enjoyed crafting, long drives to the water, birdwatching, and camping. However she was happiest when spending time with her family, especially her grandchildren. Cathy loved her family beyond measure, and they will miss her tremendously. A private celebration of Cathy's life will be held. Tribute Donations to CurePSP are welcome. Donations can be made to either: CurePSP at 1216 Broadway, 2nd Floor, New York, NY 10001 or online at [psp.org](http://psp.org). “ One year has passed since we all lost Cathy. My heart knows that she is happy in heaven and whole again. I have missed my sweet sister in law and the family get togethers.  
May her family always share the wonderful memories of her and their time together.  
She was a special lady and a hard worker. Her choc chip cookies were the best. She took care of her family and they took care of her, when she needed it most.  
Much love,  
Jan Sobczynski

“ Dear Sobczynski Family,

We have never met, but I am sending my family's sympathy, because we have a member who is battling PSP. My brother, for whom I am guardian, will be 67 next week, and has been living in an assisted living home for nearly two years. We called in hospice care for him last week. What a cruel form of dementia this is. I don't need to tell you any of the things we've experienced, because you've been through them, too. Thank you for publishing Cathy's cause of death. That has made me realize that I want to include it in my brother's obituary, so that more people will know about this awful disease.

We are so sorry that Cathy had to go through this, and pray that she is now whole again.

With sincere sympathy,  
Martha Wilton
