

Chad Edward Burnett

August 27, 1985 - July 28, 2020

Chad Edward Burnett passed suddenly on July 28, 2020 at the young age of 34. Chad is survived by his son Jack, Jack's mother Ashley, father Edward, grandmother Frances Burnett, siblings Cara (Ryan), Kyle & Kalee and many aunts, uncles, nieces and nephews. Chad was preceded in death by his mother Karen Burnett in 2016.

Chad grew up in Shelby Township where he graduated from Eisenhower High School. He attended Oakland University and Macomb Community College. Chad owned his own Chem-Dry business at the age of 19. He was the youngest owner of a Chem-Dry business at that time. He moved on to other successful jobs always trying to better himself.

Chad loved life and was a better than average athlete in any sport or challenge that came his way. He was a member of Eisenhower's Golf & Bowling Team. Chad helped start bowling as a school sport at Eisenhower High School. Eisenhower's bowling team won the state championship in 2002. Even though Chad bowled and golfed in many leagues, golf remained his passion as he was "Tough to Beat."

Chad's son Jack was his life. He was an amazing father. When there was a get together Chad was with the kids not the adults. That just goes to show his love for Jack.

Ashley was the love of his life since ninth grade. He married Ashley in 2013 and had their son Jack in 2015. Their love for each other never wavered. We are unsure how we would get through this difficult time without Ashley's love and support.

Chad will be laid to rest at Resurrection Cemetery (18201 Clinton River Rd, Clinton Township, MI 48038) on Friday, August 7th at 10:00 AM. It will be a short ceremony for family and close friends but anyone is more than welcome.

Chad's life will be celebrated on Saturday, August 15th 2020 at Greystone Golf Club (67600 Mound Rd, Washington, MI 48095) from 12:00 PM to 4:00 PM. Sandwiches will be provided from 12:30 PM to 3:00 PM. Greystone needs an approximate headcount in order

to prepare accordingly. Please RSVP to Krblrv@gmail.com.

If you shared your passion of golf with Chad please bring your putter for a photo in remembrance of him.

Anyone who wishes to honor Chad is requested to make contributions to the Burnett families.

“ So sorry to hear this sad news, Chad, as I remember him, was a sweet little 3 year old that I had in my preschool class. He was shy but always smiling and he had the cutest outfits. My heart goes out to the family and I will hold you in my prayers. Still miss his mom.

“ Camping.. Higgins Lake Michigan. Chad was the ambassador of fun. Always organizing a good game of beach volleyball, pulling strangers in to participate, making sure there were plenty of hours on the jet skis and boat, creating laughs around the daily campfire and always up for a spirited game of cards around the picnic table, betting sticks of gum that later turned into coins. Chad, you helped create some of the BEST memories over the years! I will never forget our little phrase.. “What’s Updog?” Love you all the way to eternity Sweetie!! ❤️

“ Chad was a good friend with a huge heart. I enjoyed golfing with him even though I wasn't close to being good competition. I know he was very proud of his son, Jack, sharing stories and showing me pictures of him on numerous occasions. Thoughts and prayers to his family during this difficult time. Still in shock...rest in peace my friend!

I served at the student body president the year we graduated and he was always one of the guys I could count on to step in, be a helping hand, and have fun with! Prayers for each of you today espically his sweet wife and little boy. May God's peace be with each of you in this trying time.
