“ I am deeply saddened by the passing of Cheryl. We met in the MOMMS military support group. I remember the wild times of filling boxes full of candy to send to the troops. Cheryl was always kind, supportive, and succeeded in all that she attempted. May memories of Cheryl help to sustain all who loved her at this most difficult time.

“ I met Cheryl through the Military Momms Group. We all had such a wonderful relationship that it became like family. We did so many wonderful things through this group and I came to know Cheryl very well. She was such a kind and caring person and always thinking of everyone else before herself. I treasure the friendship that we had. I retired and moved to Tennessee in 2019 so I will not be at the funeral. Please know that your family is in my thoughts and prayers at this most difficult time. I am so glad to have known Cheryl.
