“ I want to tell you that I always considered you to be the greatest blessing for a brother-in-law. Your sense of humor was a gift that will be remembered forever. I'm so grateful that you always 'got me' and I didn't have to explain myself. We are heartbroken that we will no longer be able to see you when we come to visit. You were always a great bright spot for us!  
Praying for a speedy trip to our Creator. You are now in truly Great Company.

Chris, I wish I had spent more time with you, but when I did see you I was always impressed. You were always so kind to me. I am deeply saddened by your passing. I promise I will watch over Melissa as she copes with her deep grief.
