“ We will truly miss your Mom's lovely smile and how she could light up the room. One of our fondest memories of was how she would take the girls out at her house and spoil them. Amy always loved spending time with Lisa at "Connies" - as they both used to call her!! She adored her grandchildren!!

“ My deepest sympathy to my cousins! I share in your grief for the woman you called mom and the beautiful aunt that I adored. The best memories I have from childhood was sharing it with "Aunt Connie" and you girls. From Ice skating in your back yard to Higgins lake! Love to all! Brenda Wallace.

So so sorry to hear of Connie's passing. We joined the Assistance League at the same time and over the years shared many memories. She was so much fun to work with organizing the first OSB distributions in Macon county, her stomping ground. Loved the lunches at Red Robin and listening to all her stories about Macomb Community College. She gave do much of herself to others and will be missed.
