“ Today we deep and painful sorrow we lay to rest our precious Mom, Our Mimi. This past month has been so hard as we watched her slowly fade away from us.

We know you all wanted to be with us but those were not her wishes. We feel your hugs, your tears, and your love today. You give us strength to get through this all. We take comfort know she was loved by so many and she touched so many lives. You support has meant the world to us.

You are all her legacy. We know you will keep her alive for us in your hearts and memories. We will all share our love and stories for many years to come. We love you all.

“ Mimi I had the pleasure of getting to know you through Kristy and from then you and your family have always had a part of my heart. I remember you letting me and Kristy take the car after Popeye went to bed and many other things . You were an amazing woman and your family reflects that as well. I love you and will miss you dearly. The love you are getting in heaven is so abundant. Rest easy friend.
