“ *In Sympathy and Friendship
Cyndi will always be special and remembered as a very sweet, funny and caring friend. She was very detailed and put that extra energy into everything she did. You wanted her on your team and as your friend. Rest in Peace.

“ *So sorry for your loss. My heart is broken. I worked with
Cyndi for several years until Dec 2015. She was wonderful
to work with, I enjoyed daily conversations with her, and
she was so helpful and caring. 💔🙏📖*

I hope the following message brings comfort to you.

*Those we love don't go away,
they walk beside us every day.
Unseen, unheard,
but always near,
so loved, so missed,
so very dear. ❤️*

“ *The first car she drove was my mother's 65 Dart. No she did not have her license kids. Remembering Joe and I running out the back door of her parent's sunroom when they came home unexpectedly. Beach day on lake huron, was so cold. Never seen so much pure white skin. The group meetings at the tank on Alger.
Rest my friend
