“ I just found out that Dale had passed since I moved out of the area several years ago. I too am heartbroken. Dale welded Spinpro enclosures for me for many years. He was a wonderful gentleman and a friend. He was honest, kind and always put a smile on my face. The earth lost an incredible man, and heaven gained an angel. Dale will be greatly missed by many.

“ So sorry for your loss. My prayers go out to the whole family. All he ever did is brag about his wife his children and his grandkids. Dale was a good friend from middle school and high school he was always there for any of us who needed it. What a perfect man to watch over you while seated at the right hand of our Father and Lord. God bless you all Janet Baroth Johnson

“ *My sincere sympathies go out to Dale's family. I only knew him through Monday Night Hockey at GPCR. He was a great guy and a good defenseman. I will always remember when I started playing there about 18 or so years ago, Dale was very welcoming and fun to play hockey with. I considered him a friend and he treated me like I was one of the guys right from the beginning.*
