“ Lisa & Family,  
I heard the news from Mauro regarding Danny's passing and wanted to let you know how very sorry I am for your loss. I always enjoyed my conversations with Danny over the many years here in Mauro's office whenever he stopped in. He will be missed by all. My thoughts and prayers are with you and your family.

“ Lisa, Danielle and Matt..... I know it has been forever since we last spoke, and I had NO idea that Danny was ill and the news of his passing caught me completely off guard. My heart went immediately to you all and my mind went to back to the wonderful memories I hold on to from the past, many of which included you all. Even looking at this photo of Danny, I can hear his voice and his wonderful laugh. This is an unfair and tragic loss and I can only imagine how you all are feeling. I am blessed to have known him and just know I am sending you all prayers for strength and comfort straight from God to get you through these days. My deepest sympathy to you all.

“ *Lisa and family, our hearts go out to you at this incredibly sad time. As we all know Danny was a great man, friend, father, and husband. We are all better for the time that we were able to share with him. He was always so proud of his heritage and his family. I know that he will continue to watch over you from the better place that he is now in. Prayers and condolences. Eric Harte and family*

“ Dear Lisa, Danielle and Matthew, I am so sad to hear of your husband/father's passing. Danny was such an incredible person. I will always remember him hanging out with my brother and their friends at our house when we were growing up. Danny always provided so much joy and fun. He was a great storyteller and quite the jokester! But he was also a deep thinker and a very caring person. We were all lucky to have had him in our lives, and he will be missed.
