“ *Aunt Debbie always had an open door for her family. I remember my sister's and I going to her home daycare a few times when we were little and many Hale family parties and having that many of us Hale's in one place was no small task lol but she always made everyone feel welcome and she was of course always a part of the fun. Im so Thankful to know that because she put her faith and trust in the Lord I will see her again one day. We love you Aunt Debbie and we will miss you dearly*

“ *We sure had fun growing up together and picking on each other, pointing the finger at each other when it came to telling dad and mom on what happen and making fun of each other. Going to miss you so much sis, for I won't have anyone to make fun of anymore. But I will carry on your memory until the day I cross that veil of death into the presence of my Lord and savior, Jesus. Do me one favor sis. Keep tugging at his robe and remind him of me will you. Love you always. Your brother, David.*

“ The trip Darlene and I took with Sister Debbie and Brother Homer to Cozumel Mexico, was one we shall always remember. We all had so much fun traveling in our Dodge van to Birmingham Alabama where we boarded the ship for Cozumel I purchased a GPS to help us navigate the road ways "we nicknamed it Myrtle Sister Debbie got a kick out of that name, and would ask some times are you sure Myrtle knows where we're going.

“ I loved Aunt Debbie’s broccoli and cauliflower salad and would ask her to make it for every family function. One time I asked for it and Aunt Debbie said “you can’t have it every time Lisa”. The way she said it was hilarious and I never stopped asking for it. Every so often she would make it for me and tell me I was spoiled. She will be missed dearly!!! I love you Aunt Debbie

Debbie you are just gone too soon. We know you suffered greatly in recent years and every time I talked to you, you would tell me that you were ready when God came for you.

You were the life of the party for sure during our family gatherings. You were always so sensitive and caring for everyone and had the best sense of humor, making us laugh with your funny stories.

I recall your telling me that you, Homer, the boys and extended family sure had a lot of good times and laughter throughout the years. We are sure going to miss you Debbie forever. RIP. Our deepest sympathies to Homer and family.

I have so many memories of my best friend. We met when our boys joined cub scouts. We became best friends from the start. Both had day cares, and so much in common. We had many adventures together, several times weekend trips by train to Toronto, trip with Andrew and Tiffany to Branson Mo. we talked daily on the phone for hours. Even when I made a trip to Ky, Deb would keep me company on the phone for 9 hours there and back! We had a funny friendship, most that heard us would think we were arguing, but that was just us. We have laughed and cried with each other, shared our joys and sorrows, we knew each other's secrets and dreams. Debbie was so much a part of me and my life, I honestly don't know what I will do without her. I know she is in a better place, one that she longed for. Rest high upon that mountain Debbie, one day I'll see you there again. Love and Hugs
