“ *Wow, we were shocked when we heard the news of Debbie. It was just a day or two before that we wave at her as she drove by. For all the years they have lived by us she always had a smile on her face and was always helping someone. She certainly had her share of health problems but many would never even know. We know how much she loves her family and grandchildren and remember she is always close in your heart. We will certainly miss her.*

*Our deepest sympathy,  
Kirk and Marlene*

“ *Dear Mom, There are no words to describe how heart broken we are that you're gone. We love you so much and we know that you'll always be with us no matter what we are doing or where we are going. We know you're in heaven with Papa and the rest of our loved ones who have gone before you, watching over us all with pride and care. Dad and I both lost our best friend when you left but we have each other down here and we will take care of each other now. Until we see each other again, we love you with all of our hearts and miss you more than you know! See you later, Mom! Rest easy ❤️*

“ You gave me a sun catching angel,  
I watch it dance and jump in the sun  
That tells me if your new life is a happy one.  
I see your daddy holding your hand,  
He was always sad and so alone.  
Now he smiles because he has brought you home.  
I take this as an omen,  
It was too hard to say goodbye.  
When we asked if you were okay  
In answer we got those little white lies.  
I'd like an invitation to visit  
So I can help ring the bells...  
Three heavenly angels would be exquisite.

Dear God,

Thank you for my special daughter. The time seemed too short, but I know you  
should not hoard the love of someone so special.

“ Aunt Debbie was always so sweet to me. I remember spending the night at her  
house and I thought of her as such a cool mom. She went out of her way to help  
and care for everyone around her. Rest peacefully Aunt Debbie 🙏

“ Rest In Peace, sweet cousin. You never thought of yourself, but always of others.  
You never had a bad word to say about anybody and was always so kind to all  
who knew you. I will always remember our teenage years and adventures. I love  
you and will never forget you. Safe in the arms of Jesus. Joann

“ Debbie was my cousin but she was like a sister to me. She did so many things for  
our family. She organized a family reunion every year at a park. She put together  
The names and addresses of everyone in the family and passed them out to us.  
She collected recipes and created a family cookbook. I'll never forget that when  
my dad died in Florida, it was Debbie who showed up on my porch at midnight to  
tell me the bad news. I will surely miss my sweet cousin.
