“ *Dennis and Carla have been friends of mine and my husband's for over 35 years. In 2016, my son and future daughter in law asked Dennis to officiate their wedding, which he stated he would. Now my hubby and son graduated from Michigan State, my son's future in laws graduated from MSU and about 90% of the guests were MSU grads. In the middle of the ceremony, against everything I told him he could NOT say came..... GO BLUE out of his mouth and a strategic pause. Well Dennis tempted fate that day. Lol we will miss his sense of humor and his caring nature.*

“ *Dear Family, my thoughts and prayers are with u all. No way to put all the memories of Denny in a memory post. I Have known him and his family for so long, most of our lives, he was always happy, loved everyone he meet and you could never forget him due to his sense of humor, honesty, and his spirit of caring for everyone. I have not been able to be close to all, but I did see Denny a few years ago and it felt like yesterday we had talked.*

Our families have endured so much heartache, and so much loss in the last 4 years the world has also lost so much. I take comfort in knowing the Denny as well as all our family will no longer be in pain or suffering, they will be forever who we remember.

I love u DeGripp/ Gamble family.

“ I remember Denny from our childhood. He was always fun to be with. Our families spent a great deal of time together. Through Boy Scouts and as family friends. He always had a goofy smile and/or face for you. He was one who always made me feel welcome.
