“ I remember when Diane, Virginia and Madeline brought Auntie Ronnie up for a Canadian Thanksgiving. Diane was serving the tiramisu, a delicious Italian coffee dessert. She served my husband first. To say Louie loves desserts is an understatement. Diane was still serving, she looked over and saw Louie's plate was empty. She was perplexed! Diane asked Louie if he had dropped his piece on the floor. Teresa, Boris and I bursted out in laughter. Actually Teresa had tears streaming down her face.
