“ *Very sad news. My condolences to the family. I am a waitress at a restaurant that Minnie visited often and loved her dearly. She definitely knew how to brighten someone's day if they were feeling down!! She always had a smile on her face and always made me laugh. As soon as I seen her I would give her a hug and it just made my day!! Truly heartbreaking news.*

“ *My heart is saddened at the passing of dear Minnie. We shared many years at Webster School. She was tge Early Childhood aide next door to my Second grade classroom. We shared a deep love of The Lord and I loved talking to her about many things. She always gave me great advice. She loved her family and friends. I am sure she is with The Lord. May her Memory be Eternal*

“ My sympathy and prayers to Kathy, Annie and Carol and all the family. Really sad news. The DeNardis and Cianfrani families were part of the Di Cresce/Selene family circle of "comares and compares". One of Moms lifelong friends. As kids growing up, Minnie & Freddy were frequent visitors and part of the extended family for pizza parties and the fall polenta dinner. Always a lot of laughs. Aunt Minnie will be greatly missed.

“ Aunt Minnie was the sweetest, most loving Aunt I could ever ask for. I will miss visiting her for coffee, calling her to see how she was doing, seeing her at mass and going out to eat with her. It was always so much fun to be with her. I always left Aunt Minnie feeling loved more than ever than when I walked in the door. I am going to miss her so much. I cannot imagine family gatherings without her. I smile knowing that she is with Uncle Freddy and my dad. RIP. You are now our angel.

“ I will miss my Minnie. We talked every week to every other week. We laughed and had good phone conversations. She was always kind and telling me how she did not understand how she could not do what she use too. We would laugh. Love her. God has gained another angel. RIP my friend. I will miss you. 💖🥺

“ I am truly saddened at the loss of Minnie. She was a firecracker and a great member of our Hazel Park Police Department's Mobile Communications Support Unit for many, many years. She contributed to the safety of her fellow citizens of the City of Hazel Park and she will be missed!

Please know that she and her family are in our thoughts. Heaven has gained a great spirit and a lot of levity with her moving in!

“ I am so very sad to hear of Minnie's passing. I will dearly miss hearing her very distinctive voice. As some of you may know, Minnie and I kept in touch over the years by phone on a regular basis. We had wonderful conversations about family whom she was so very proud of, her strong faith in God, and always had a joke or two. I am sure she will live up Heaven with her humor.

I send my heartfelt condolences to you all. May your wonderful memories see you through this most difficult time.

“Minnie, you were my 2nd Grade Catechism teacher and pretty sure was in the class you told a story about... Boys refusing to go in room and not wanting to get married to the girls dressed up in their communion dresses :). When you were no longer able to drive, I had the honor of being your chauffeur to church on Saturdays and I MEAN MY HONOR to drive you. And to mimic Carlos's words, "I am a better person because you were in my life.”

“My Dearest Minnie
Many were the days that you put a smile on my face. Just seeing you at church lifted my spirits. You always had a joke and a kiss for all of us. I am sure your St. Justin's family will miss you dearly. An inspiration to us all. The honor was mine to have known you! I am a better person because of you in my life. The epitome of a Christian! The heavens have definitely gained an Angel today! Say hello to all of our parents up there! God bless!

I knew “Mrs.DeNardis” Minnie from childhood having grown up with and attending Wanda Elementary, Hazel Park Jr.High and High School with Annie. I came to know Minnie when we worked together in the Webster Latchkey. She was such a dear, kind, loving woman...and hysterically funny. She had so many life stories to share and usually had me in tears from laughing so hard. Her main focus in life was her family, always. I have always admired her strength and courage after having lost her husband at a young age, yet moving forward to be a loving mother and grandmother. I will always remember you and love you until I find you in Heaven.
