“ It was always a highlight of our day when Don would come in to purchase flowers...often when in, he would share thoughts by Don which we always enjoyed. Such a kind and caring man and so proud of his Family... Deepest sympathies to your Family...Cindy and Shirley, Harvard Floral Designs❤️❤️❤️

“ Marlene and family, so very sorry for your loss. Don was my good friend at work and Sandra and I enjoyed his and Marlene's presence at our "pumpkin parties". I will miss him at our retirees get togethers.

“ My sincere Condolences to Don's Family. I would like to share a little story. Back in the early 1980's, Don and I are "Jumping" E9-10, the old Pirsch. We pull up on a house fire on Williams Court. As we pull a pre-connect and head in the front door we could tell from the heat of the carpeted floor that it was a basement fire. We work our way through to the basement stairs and start heading down into the basement. Someone had opened the back door and it completely closed off the remaining stairs of the basement. We make a slight left and go down three more stairs and the floor got very soft. I yell to Don, "I think we're in the backyard"! Don laughed the way he did and said, "I think you're right"! We were both laughing as we turned around and made our way into the real basement. He will be greatly missed!

“ Worked w/Don for many years on the ROFD and enjoyed his wit and his vast knowledge of baseball. He was always trying to stump me, which wasn't hard to do! Loved his stories of when he was a security guard at Sears and Bonsecours hospital. Enjoyed skiing at Mt. Holly, too! Don will be missed..... Rick Sage

“ Marlene and Family, You have the sympathy, thoughts and prayers of the Larry Zimmerman Family. I have many fond memories of "fun times" with Don and Marlene at ROFD gatherings.
It may have been awhile ago, but good memories to be treasured for sure!
Sincerely, Cathy Naas Zimmerman

“ The 1st memory of Don I have that comes to mind is visiting my sister on her birthday. Mr. Ashcraft sent his Daughter in law flowers every year for her birthday. I always thought that was so wonderful and special!

Every time we were together, for my nephews birthday, or just random visits, Don always made an effort to talk with my family. My sons remember how kind he was to them. He always asked them how they were doing and wondered what they were up to.

In my garden, I have a patch of tall yellow flowers that came from Don's garden. Every year when they bloom, I will remember him.

Condolences to the family, prayers for Marlene.
