“Eddie was a brilliant person who had a lot to offer this world. I've always felt a deep connection with him and will dearly miss our deep conversations. I hope that his writings can go on to see the light of day and continue to inspire others. In this way, Edward can continue to live on and make an impact on this world.
Rest in peace brother, love you always,
Terry Peake

“Eddie was a deep thinker and always taught me to look outside the box. I remember him teaching Trevor and me the secrets of technical online video games such as Starcraft and Warcraft. I wish I could have spent more time with him in the past years because spending time with Eddie was always a pleasure. Thank you for helping me see the world differently, Edward.

Rest in peace,

Stephen
