“ Dear Beth and Stevie,
I'm heartbroken to hear of Eddie's passing.
I'll always remember our fun times growing up in the neighborhood, from playing sports to riding our bikes, listening to Queen and KISS!!! Goodbye, my friend...

“ God bless Eddie as he enters into his eternal home with our Savior. I went to school at Our Lady Queen of Heaven with Eddie. May good memories remain in your hearts.

“ In the late 70's, I remember Eddie coming to Queen of Heaven and playing basketball with us on Friday nights. I always chose him as my "1st draft choice" to be on my team. He was a wonderful young man. He loved to play and was a great shooter, but an even greater person. I am saddened by this news. God bless his soul.

“ I am a friend of Edward's Aunt Clara from Michigan Bell Telephone. Her heart is broken in a million pieces. Edward was her godson. And she always felt like he was her own. Didn't know him personally but always heard positive things about him. And what a kind-hearted soul he was. May he rest in peace. My deepest condolences to the entire family. What a tragic and sudden loss.

“ Dear Steven, Beth, and Family,

Edward was our First cousin and we will always treasure the times we spent with him.

When we were young, our father took us to visit our uncle, aunt and family. These memories will never be forgotten by any one of us.

These are very hard times to get through from a death very unexpected. Follow your heart and do not listen to opinions, would haves, could haves, should haves, advice, and what others tell you to do in this world. Trust yourselves that you did the right thing for your brother, Ed. It will not be easy but it will help you to find peace within yourselves. You will achieve a sense of calm, which is a gift in itself.

Ed is gone from our side, but never from our memories. He is gone from our touch, but not our hearts, where he will stay forever.

We are thinking of you and hoping your memories and special times brings you comfort.

With our deepest sympathy,

Osmialowski and Hoenes families

“ *I went to high school with Ed and now am working with his cousin John who has become a good friend. Ed was a pretty quiet guy in high school as I recall, but always nice. I feel like i got to know him better through conversations with John in the last 5 years. John would say i saw Ed and Steve this past weekend and they both said "hello"; and I'd tell John to say "hello" back! It is amazing to me how the Lord has brought us all together - Ed, Steve, John and me just from a little friendly chat across the aisle at work! I am keeping all the family in prayer. May you all sense His peace, presence, and comfort.*

“ *I knew Ed from the days at Polish century club. We used to come in on Sat morning and set up the hall. He was a good man that loved to have fun while we were working. God Bless and I will keep him and the family in my prayers.*

“ *Ed is my cousin and even though we didn't see each other as often as we liked, it was always a fun time and we could pick up our conversations like no time had passed. Thankfully, I was able to see Ed more and chit chat during some family parties within the last few years. We enjoyed reminiscing about the good old days and I am very grateful for the time we shared and that my husband was able to meet him. Rest in peace Ed, we will miss you!*

“ *Dear Steve, Beth, & Family,*

As I look back to the times we encountered Ed through our lives, whether it was during the good old Queen of Heaven game/church days or our family functions, I always recall seeing a gentle, kindhearted person. Ed had a contagious smile and you couldn't help but smile right along with him. At my daughter Taylor's grad party and John's 50th, I remember him having fun just being in the company with those he loved and sipping on some cold brews. It was such a wonderful sight seeing him interact with Stephanie and Kristina. It was obvious how much he adored them. We only wish we had been able to visit more.

At times like this it is hard to see past the sorrow, but we hope that reflecting on the wonderful memories that you and Ed shared will help you through this difficult time. May God bless you and comfort you.

*Love,

“ While I hadn't seen Ed in quite some time, he was a sweet and kind hearted man who always wore a warm and welcoming smile. God bless you all and may Ed rest in peace.

“ Dear Steve, Beth, and Family,

Growing up in Detroit had a lot of benefits. One was knowing that there was family across Lipke Park on Suzanne St. I have fond memories of hearing Ed jam on his guitar—one tuned and tailored to his style. He was patient and kind; always accepting, and protective of those he loved. Stopping by for a visit—even though they were years in between—Ed always opened the door, and was a gentleman host. Although those visits were all too brief—they were always fun and made you feel welcomed and truly at home. Rest In Peace Dear Ed. Love forever and always, Jim, Lynsey, Tim, and Nick Bosch

“ Dearest Family:

Our last visit with Ed at Kristina's graduation party was one we will always treasure. He was so happy as he talked about his cooking and making special dishes. It was good to reminisce and laugh and see family together.

We will hold these memories and more in our hearts forever.

Ed, as sad it is to no longer see you, here, we know you are now in a better place.

Hep us to wipe away all our sadness as we know you will now be able to say "hi" to all our family up there -- especially your Dad, Mom, and Uncle Rich.

And -- for old times sake -- Please ask them to play a Polka for us!

*Love Always --

“ *I work at Ford with John, Ed's cousin. I didn't know Ed but can tell from how heartbroken his cousin is that he was a bright influence in many lives. What a nice picture! Ed has finished his race, I pray for those who are still running the race and carrying his memory and legacy.*
