

## Emma Richardson

August 1, 1930 - June 7, 2021

RICHARDSON, Emma, passed away on June 7, 2021 at the age of 90. Beloved wife of the late James (Jim) Richardson. Loving mother of Paula Richardson (Jon Northway), Jim (Kathy) Richardson, Mark Richardson (Faye Ewing), and Lisa (Chuck) Ciaravino. Proud grandmother of Emily, C.J. (Megan), Elyse, and Colton & great-grandmother of Olivia, Noah, and Emma. She was predeceased by her husband Jim, her parents, Ludovico and Lucia Vitale, and her sisters Carmela Ventura and Anna Maria Vitale.

Emma was devoted to her family and friends. She took great joy in life and it was felt by everyone around her. She loved her home and appreciated her independence. Shopping at Vince & Joe's was "therapy," as she called it, and it was one of her favorite things to do. Emma's love of cooking was surpassed only by her pleasure in sharing this passion with others. Not surprisingly, watching cooking shows was a recent favorite pastime. She was especially fond of the "Create Channel," Create®TV, hosted by Detroit Public TV.

Visitation Wednesday, June 16, from 3:00-6:30pm, with Memorial Service beginning at 6:30pm. Wujek-Calcaterra & Sons, Inc., 36900 Schoenherr at Metro Parkway (16 Mile). *Emma was an angel on Earth. A great warm light when walking into a room. I will miss her sweet voice, her stories about cooking and family, and definitely bending at what felt like 90 degrees at my hips to get on her level for an amazing hug. I'm so glad she had the opportunity to love my children, and we will always keep her pictures around the house so that they have the opportunity to know and love her* 💙

“ *The first time I met Emma, she was making her famous sauce in the kitchen in St Claire Shores. I remember laughing a lot that weekend and feeling so much love from her. I was blessed to travel to Italy and France with her. We have kept in touch over the years via letters and Facebook since then. I loved getting those hand written notes,. She will always hold a special place in my heart.*

“ *The first time I met Emma Richardson was in 1978 right after my dear friend Paula and I returned from our semester aboard studying in Tours, France. Emma was a warm, welcoming and gracious hostess who invited me into her kitchen where she was busy cooking. The kitchen smelled of delicious Italian food and she shared a few recipes with me that I still have and use to this day!*

*Throughout the years when I was traveling in Italy with Paula and Jon she was always in our thoughts especially when we met with her Italian family and relatives in Campania or Milan. On one trip we found "her" winery called "Casa Emma" nestled in the hills of Chianti--we took a photo of Paula in front of it and she loved it. On another trip we drove up to her native village of Montefalcone near Naples to visit her relatives which was quite an adventure driving up winding roads to the top of very windy Montefalcone! Emma enjoyed hearing about our wonderful visit.*

*My sincere condolences to the Richardson and Vitale family, I hope your fond memories of Emma will sustain you during this difficult time.*

*Much love,*

“ *I feel so fortunate and grateful for my longtime friendship with Emma. We shared a love for collecting recipes even if we didn't get around to making them. I loved listen to her stories about moving to the USA and the language barrier in school. She could be serious but you could always expect a funny comment or two. I will miss her and our Saturday "catch up" breakfasts(30 years)!*

*Emma was a friend since high school. We shared many great times together with our mutual friends in our "club". The last time we talked, about 3 weeks ago, we still retained that close friendship of many years. She will be in my heart forever.*

*My heart is broken. She was my partner for therapy at Vince and Joe's. I could always talk to her about anything. I will miss her terribly 💔*

“ *Auntie Emma loved keeping up with everyone on Facebook. Quite tech savvy. Talking to her on the phone on my my many trips down south, a great way to keep in touch. Thank goodness for cell phones*
