“ *What a wonderful neighbor Florence was. She was always seen with a smile and a wave. I delighted in her sharpness of mind. So glad she is now home in Heaven. Prayers of comfort to her family and friends.*

“ *It has been my privilege to bring weekly communion to Florence the last three years. She has been a source of inspiration and wisdom. She shared her family stories with me, so I feel I know all of you, even though I have only met Tim. She delighted in her 104 years, but always questioned why she was still here! I think it was her courage and her steadfast faith that I will always remember. She has surely earned her place in heaven! Rest in peace Florence. And don't forget to ask Him all the questions you had!*
