“ *Dear Kim, Kathleen, Keri, and Family,  
I grew up on Chatsworth living next door to the Borota family, Christina and I were best friends. Her parents were my second set of parents and included me in so many of their family gatherings. Because Verna was my "second mother", your father was like an "uncle" to me. He was very handsome, young (only 11 years older), and so cool! The main reason he was "cool" was because he was always so nice. He talked kindly to us pesky children and took an interest in what we thought and what we were doing.  
I have very fond memories of your father and planned to see you tomorrow to tell you in person. However my friend's husband just died on Monday, so, unfortunately, I have another funeral to attend.  
I love the picture you used in the newspaper because your dad looks the same (just a bit older) as the handsome, young man I remember. I'm sorry I am unable to attend the service tomorrow, but my thoughts are with you. My deepest sympathy for the loss of your father.  
Sincerely,  
Anne Kucher*

“ *I met Pretty Boy Floyd at the Oakleigh of Macomb senior living community that he resided at. He became one of the guys I got close with. I will miss him. I'm glad he chose our community and although he has passed, I find comfort knowing he believes in the Lord Jesus Christ as our Savior. That is what really matters and one day when we have all passed our relationship with Jesus gives us a way to see each other again. Thank you for all the fun and laughter you brought to our community. Thank you for serving in the military. And thank you for your time with me.
