“ There are no words to describe the loss of everyone's gem. Frans kindness was unmatched and apparent to anyone who had the pleasure of knowing her. Nothing was sweeter than those hugs, a true embrace and then that smile. She will truly be missed.

“ We are devastated to hear of the passing of Fran Bada. She was such a special woman and her smile and positive presence was inspiring to say the least. Cara will hold the many memories of special conversations she had with her over the last 9 years close to her heart forever. Cara will always remember that she was someone who saw her in her wedding dress before she walked down the aisle at our wedding. We share our condolences to the entire family during this tragic time. Love Always, Cara and Michael Komlosan

“ *Simply put, Fran was the best! I considered her like an Aunt. Tuesday's was Frans day at the office and I have many fond memories of conversations in her office while she sat on the brown recliner, we could talk for hours. She often left notes on my desk or and never missed dropping off Christmas gifts for my children. She ALWAYS put others first and made you apart of her family. I know her legacy and traditions will live on through her children, grandchildren, and great grandchildren! Rest In Peace, Fran.*

“ *We are so sorry for the loss of this beautiful, loving woman. We were able to spend time with her on several occasions at the home of our neighbors, Angela and Greg Miller. I know that she had to have been an incredible mother, because she raised such a loving, generous, kind, caring and fun daughter in Angela. May the Lord grant her eternal peace.*
