“ So sad to hear about Frank’s passing. I met Frank in 1970 at Manufacturers Bank, Worked with him until the merger, golfed with him and his family, enjoying summer weekend outings as well as weekly golf with Sal, Frank, Joel and myself. I will always cherish those moments together. I look forward to playing future rounds with him in the next life. Bob Wirsing

“ Dear Ida and Family,  
May the Good Lord shower you and yours with His blessings always and especially as you grieve the loss of Frank. I had the pleasure of working with Frank for many years at Manufacturers Bank and of making many fond memories playing golf together!

“ I’ll always remember when all of the cousins were kids, and whenever Uncle Frank and my cousins came over to our house during the summer for a visit, we’d go to the playfield across the street and he’d hit baseballs for us to shag...that was over 50 years ago, but it’s still like yesterday to me. That will always be like yesterday to me. Uncle Frank is the best.  
Love always, Frank Condino

“Blessed to have known Frank for the many years we spent at the bank, on the golf course and at various social functions. One of the nicest people that I have ever gotten to know. The sad thing about growing older (as we all do) is that we have to say good by too often to so many good people. God bless Frank and my sincere condolences to Frank's family.  
Sincerely, Bill Reynolds

“I am saddened at the loss of my dear brother-in-law Frank, but I am grateful that he rests in peace. For the past 44 years I have been the beneficiary of his kindness, grace and generosity. He welcomed me into his family with open arms and never made me feel like the outsider. For that I will be forever grateful. He exemplified the meaning of gentleman and I will miss him deeply.

*Always in my thoughts and prayers,*

“To my dad, the man who got me out of several "delicate" situations in my younger days, who's advice I've should have adhered to a bit more, but is still not forgotten to this day. May there be several birdies going forward for you Dad. Love you,  
Tony

“ Ida, Diane, and Adelmo,  
Our deepest sympathy to each of you for the loss of Frank and a belated sympathy for the loss of Vince as we had no idea he had passed away until we just read about Frank.  
Frank was a wonderful man and I have many fond memories from not only childhood, but also during our respective banking careers. Due to the 4 hour round trip drive and Pam's medical condition, we will not be able to join you for the visitation or the funeral, but you will be in our thoughts.  
Your cousin,
