“ Frank was a very good dependable friend that I have known for over 20 years. He  
enjoyed betting the horses. We actually met at the race track, he will be greatly  
missed.

“ I Miss you Pops. I keep thinking about you even though it hurts because you were  
the best Dad anyone could have. I would do anything to just hangout with you  
one more time. I miss you more than anything. Mac 🐎
