“ I recently learned of Frank's passing. My heart still aches. I used to work with Frank at Merrill Lynch in the Auburn Hills office. He used to attend the bible studies I led in the conference room at Merrill. Of all the people I know, and I know hundreds, I would put Frank at the top of the best of the best. He had the character qualities you would admire in a person. He will be deeply missed. I am so sorry for your loss. I can't imagine. My wife Mary Ann and I have prayed for your family. Peace and comfort to you. Michael Komara

“ I am so incredibly sorry for your loss. I just learned of this and am heartbroken. I got to know Frank through our Merrill Lynch training class in 1994 and we became fast friends. He was absolutely one of the best guys this world has ever know. I referred to him as "The Mighty Morelli." I looked forward to growing old in this business with him and enjoyed our conversations so much. His voice always made me smile regardless of the kind of day I was having. He was probably too good for this world. My very deepest condolences. He is gone far too soon. Rick Migliore

“ As I read the Tribute Wall, I am compelled to add my sympathy and Prayers to Janet and the children. We have been a client for 25 years and cannot say enough for Frank's attention to detail and happy personality. He is the only person that called me - Pammy, but it made sense coming from Frank. We always chatted about Holiday food because Janet was Polish as I am. Vacations were always a topic and he said that my recommendation to visit Cabo san Lucas was one of his best vacations. He was a Mountain of a man with the strength of his Faith and Family. As so many have said, God choose Frank because he was the Best!

“ I was shocked to hear of Frank's passing. Frank Sr. and Rose were great friends of mine many years ago. I first met Frank Jr. when he was 7 or 8 years old. When I would see him later through the years he was always the same kind, caring person he had been as a kid. My heart goes out to his Family, and especially to his Sisters Sabrina and Mia.

“ To the Morelli family, I am so sorry for your loss. I have been a client of Frank's for about 25 years - and a friend as well. I first met Frank when I worked for Borders and our CFO recommended him to me saying - he'll do right by you and you will always be able to trust him. Both things were true every day. Frank didn't just help people take care of their money - he cared about you as a person. He would often encourage me to spend some of that money and go travel and enjoy life. He seemed to know that every day was precious. After moving from Michigan to California, Frank still was my advisor - I would never have left him. We would text back and forth about Michigan football, and we never had a call where we didn't discuss how the team was doing. He's done so much for me - he gave me comfort that I would be financially secure, he helped me to take care of my parents and he always took the time to ask about how I was doing, really doing. The last time we spoke, I needed his help, quickly, on an issue with my parents. He was there for me, as he always was, just taking care of things with no fuss. He will be missed by so many for so many reasons. His decent humanity, good humor, and care for others will be at the top of the list. I'm grateful that we were able to attend the funeral virtually and I pray his friends and family find peace in his memory.

“ *I was so, so sad to hear about Frank's passing. I always loved when Frank, Mike C., Vince, Mike P and Charlie came to hang out at our house on Queens Row! Even though I was just the little sister and they weren't there to hang out with me, they always let me hang around and included me. I have so many great memories from those days. Frank's kindness, smile, good nature and humor will be missed greatly by all those who were lucky enough to have known him. I loved to see him at church with his family when I was back in Michigan, his love for his family and faith in God exuded him. My thoughts and prayers are with his family. Keep your memories close to your heart and he will always be with you. xo,

“ I’ve tried writing this several times in hope that it would take some of the pain away, and in writing this I know Uncle Frank is probably laughing at me in heaven. I became a part of this big family six years ago and it was one of the best things that’s ever happened to me. While he wasn’t family by blood, he felt like an uncle to me - always cracking jokes and asking about school and taking surprise selfies. I cherish every picture we have together and I’d give anything to laugh with you again. It’s unfair on so many levels but what helps me cope is knowing that you’re bringing so much joy to everyone up there. I like to think that our guardian angels are always watching us and sharing in our accomplishments. The sun shining through the clouds today definitely made me smile and I like to think that was your sign to me. We miss you terribly and I look forward to more of those signs. Thanks for making this world a better place.

“ My wife Misty and I are shocked and saddened ... very deeply. We, and my brother's family, inherited Frank as our financial planner upon the death of our father, Fred, four years ago. This smiling picture of him says it all. He was much more than a financial advisor, he was a trusted and beloved pal. Our most sincere and deepest condolences to family, friends, and colleagues. He was a true gentleman and a loving human being.

Greatly missed!!! Much love ...

“ Frank first entered my world in the mid-1990's, when he took over the accounts of our former Merrill advisor, the late Richard Jungwirth. My first reaction was: "Does this make sense? He's just starting out." But Frank's competence, patience and genuine interest in his clients' well-being soon won me over. Gradually, he became the trusted counselor to a growing collection of my relatives and friends.

We spoke about some trades just last week. "Let me work my magic" he said. Now, I will never hear his good-natured voice again. The loss is profound.

To Frank's loving family and many friends, I offer these traditional Greek messages of condolence.

“ Barbara and I were so very saddened to hear the news of Frank’s passing; he’s been in our thoughts continually this week. Frank was a trusted advisor to us for many years, but for us and others in my extended family he has also been a valuable friend. Barb and I often found Frank to more than understand our needs/issues given the parallels between our families (we have two daughters and one son near the same ages as Frank’s kids). And, Frank and I enjoyed some good humor, often seemingly trying to “one up” the other during calls as we discussed some of the knuckleheaded teenage behaviors we periodically observed at home. Frank clearly loved his wife and family so very much. Our thoughts and prayers are with them all, and with his Merrill colleagues, clients and friends. He will be sorely missed.

“ In reading all of these beautiful sentiments, it is clear that Frank was as generous with his heart, as he was with his clear guidance, to everyone equally. His periodic calls to say "Hi Jillie, Frank Morelli here", and a quick check in always brightened the day. He would always share a story of the family that he so clearly and dearly loved, his humor in the face of a crisis, his calm when the world seemed chaotic. My heart and virtual hug to the family, and all of us that know that the world has dimmed just a bit with him no longer with us. That said, I think the "Commissioner" is up there still looking out for all of us.

“ My wife and I worked with Frank for years. We've always enjoyed working with him and greatly appreciated his understanding various problems we have faced. I especially appreciated his support and encouragement as I was unraveling the complicated estates of my Dad, Mom, and brother a few years ago. He and I both were actively involved in various charities and he always asked me about Starfish and told me about what he was doing with his charities and his son's hockey.. We're in Northern Michigan and were shocked to learn Monday that we've lost a trusted friend and counselor. We both extend our sincere sympathy to his family and friends.
