“ Pat, I just read of Frank's passing in The Semper Fidelis Newsletter. You have my deepest sympathy. It has been far too long since we have been in touch but Steve and I have fond memories of a visit to our home on base at Quantico. Of course, I have wonderful memories of my time with your family while at Berkeley Manor. Miss all of you. God Bless you.

“ How often we have thought of you guys over the years and how deeply sorry we are for your loss. Our paths crossed all too briefly and then we lost track but never forgot you and Frank. Praying God's peace and comfort for you and the family.

“ Frank has been part of our family for over 60 years. His love and service to our country was something I always admired. He was a great soldier, husband to our sister, father to four wonderful children and grandfather to ten that he loved dearly. You'll be miss brother.

“ Frank was bigger than life! All I can say is that he loved life, my sister Pat and his kids more than anything in this world. But most of all I feel he not only showed his love of family and friends he also showed us how to live and die with dignity. You are truly missed. Rest in peace Frank.

“ Frank was one of the good guys, He always had a great sense of humor, a funny story or a joke, even though he wasn't feeling 100%. He was very proud of being a Marine and showed it by flying the Marine Flag.

“ We met Frank when he and Pat moved in down the street, around 2014. Frank immediately got me playing Racquetball again with his Friends at Warren Racquetball Club as well as golfing with his friends at Glacier and other nearby golf courses. Frank was a true Marine and loved his family dearly, as well as he loved being around his friends. I was privileged to be able to golf with him at Glacier Club one last time before his sickness was starting to restrict his ability to play the game. Frank had such a positive attitude no matter how bad his sickness restricted his daily movements, he always had a smile on his face and a great story to tell. I will miss our afternoon discussions over a glass of Bourbon or two and only wish there would have been more. RIP, my Friend!

“ Always enjoyed chatting with Frank. We were both members of the St. John the Baptist Guild at St. Mary of the hills. We also played golf together at a guys outing in northern Michigan. He was always fun to play with. Sometimes his clubs got the worst of it.

“ *I'll always associate golf and Frank. Golfing with the guys, the "up North" trips and Frank's bed and shoes always squared away and ready for inspection. As long as we remember him, he'll always be with us.*
