“I retired from Chrysler in 1986 and never looked back. A good friend of mine notified me of his passing and I could not remember, after the 40 years, much after having been involved in very much legal and other facets of life, and I feel bad about losing touch with him. I now am bringing my memory back and knew that he and I were somewhat strong friends, but time has lulled that memory. I would like to hear from someone in the family if possible to initiate a memory recall, if possible. Don Fleming, in novi, mich”

“I am so sorry to learn of Gary's passing and appreciated Todd taking the time to let me know of his loss. I have such happy memories of snowmobiling with Gary, Wayne, Todd and our friend Pat O'Keefe. I was always regretful that work schedules over recent years didn't allow me the opportunity to spend more time with Gary. My sympathy and prayers are extended to Nancy and family.”

“Being a member of the Ihla Brookcrest family and growing up next to the Douglas's I sit and relive all the memories I shared with them throughout the years. The one the sticks with me most was always seeing Mr. Douglas swinging the clubs in the front yard when I came over to see toad, hey Toddy Delmotte he use to say. LOL it was a great child hood growing up with them. So many stories, seems like only yesterday. I'm proud to say I knew Mr. Douglas, he was a good man, a good husband and a good dad. R.I.P. Mr. Douglas...oh and do me a favor, say hi to my mom and dad when you see them. Maybe have a beer or two with my dad for me. Love and Prayers to the Douglas family Todd Delmotte and family”
