“ Gary you were a truly great person. I felt so privileged to have known you and spent many wonderful evenings and boating with you and Carol. Marco Island will not be the same without you. You were always fun to talk and be with. I hope you and Bob are together and hanging out. You will be so missed. Always in our hearts and prayers.

“ If a picture could tell a story of someone's life, this one is Gary. Always had a smile,  
or laughing, maybe a joke or a story from the past. He could talk to anyone about anything. If you needed help with something he was there. This you could tell by the many friends he has here in Michigan or if you walk down the docks with him in Florida, all the other boaters new him.  
We were truly blessed to have him in our family and be able to call him our brother.
