

George Daniel Manuszak

August 19, 1926 - January 10, 2021

MANUSZAK, George. January 10, 2021. Age.94

George Daniel Manuszak passed away on January 10th at 94 years old surrounded by his family.

Beloved husband of Ruth, whom both would have been celebrating their 69th Anniversary later this month. Dearest father of Michael (Lynda), Patricia (David) Zink, the late David, the late Ronald, and the late James. Loving grandfather of Marie (Justin), Michael (Mayumi), Melissa (Ragnar), Lindsay (Jacob), Ian, Jeremy (Carlye), Jason (Erica), Joshua (Londee), Jonathan (Chelsea), Jessica (David), and great grandfather of 11.

As a teenager, George found his love for adventure when he joined the Flying Air Circus. He always told his family stories of wing walking, jumping from airplanes and parachuting down as smoke flew from his heels. His journey lead him to fighting in WWII, where he forged his mom's signature in order to serve the country he loved at a young age. He was in the Army Air Corps and was a top turret gunner on B-17 airplanes, known as the "Flying Fortress".

His passion for life continued as he opened his company Stellar Engineering, which did contracting for the automotive industry.

George loved to fish and was an avid hunter. He travelled all over the world including Israel, China, Galapagos Islands, Acapulco, and even rode camels in Egypt, all with the love of his life, Ruth.

George was a generous, kind and caring man who loved the Lord and his family dearly. The family takes comfort in knowing that George is resting in the arms of our Lord Jesus Christ and celebrating being reunited with his family and friends who passed before him. Eye has not seen, nor ear heard, neither have entered into the heart of man, the things which God has prepared for those who love Him.

“ My deepest condolences to Uncle George’s loved ones upon his passing. I treasure the memories I have of visiting Uncle George’s home as a child, and of talking with him of his life and family history as an adult. I appreciated his kindness and openness and exuberance. Praying for comfort and peace for his family as we grieve his passing from this world.

“ George was a wonderful neighbor and friend. He took great pride in his property and loved being outdoors, especially when working in his yard and garden. We shared many heartfelt conversations over the years. Whether discussing deer hunting or raising a family, his wisdom was always cherished. George will be dearly missed.

“ George was happiest when he was with his family or friends enjoying good food, a new baby, a warm hug and good conversation. He lived a long and interesting life that led to many stories of days past. However, he was always one to ask how YOU were and quick to pray for any need. Even in his own hard days, George cared about others. He will be missed.

“ *Things I remember about George.
He was old-school. He would always look you straight in the eyes and give you a firm handshake. He enjoyed talking with you, about anything. And most of all. He would make the most out of every conversation.*
