“ Jerry was a dear friend who meant a lot to me and the Noyes family. He was a friend who always came to see me when in Byron and always had to have plenty of ice for his beers. We talked on the phone too and loved to see his name come up on my phone and tv. He was always glad I would answer it. We had memories from childhood to high school and lots of good memories to talk about the good old days. He was looking forward to the class reunion and had it all planned out to have people help him come to the reunion. I will miss my friend

“ Jerry, May you rest in eternal peace. We enjoyed great times with you during our visits. My mother in law Christine truly loved those days and listening to the Beach Boys with you! Thank you for being so welcoming to me and my family. I know that our mom Carol Sheets was a great comfort to Jerry over the years as well as a constant and steadfast companion. May his memory be a blessing to his family and all who loved him. - The Kardos Family

“ So many memories and years of friendship with "Skell"... , always a best friend to Joe.
I can't help but see that smile of his every time I think of him.
I pray that we will all be together again some day.
Love you all...
