“ Geri became my cousin when I was 7, in 1954. Over the years, we became more than cousins, we were friends. As friends, we checked up on each other with many phone calls. We would talk about our children(all grown now) grandkids, and health. She was a wonderful, beautiful lady, who always looked her best at all times. Her children and grandchildren were her greatest loves, after of course her late husband Tony, who was lovingly called Auntz in the family. She will be missed, Heaven gained another angel.Her Tony welcomed her home.Hugs, love and prayers to all her family at this sad time
