She married Sam in 1975 and gave birth to a daughter on Valentines Day 1977. Gina was such a devoted mother giving every day to her daughter. She dedicated 30 years to Farmer Jack/Kroger and made many friends. Gina retired in 2016 to spend more time with her family. Her friends and coworkers loved her infectious smile and her bubbly personality. She often referren to people by "Cutie Pie" and Baby Cakes". Her laugh could be heard from across the gym or field she attended every game, play, music concert for her grandchildren and they always knew she was there. “ *We were so sorry to hear the sad news of Gina passing. I have wonderful memories of Gina when our girls were growing up. Elementary, Jr. High and High School. And the girls are still close today. We had such a good time. You will be missed, but know I am here for your Christina (the light of your life) anytime she needs me. Rest well Gina and watch over all of us that are left down here.* 🙏😭

“ My dear dear friend Gina. We've been seeing each other every 5 weeks for the past 35 yrs. My job was easy, making you beautiful because you were truly a beautiful person inside and out. And u brought me happiness and laughter with every visit. Always in a good mood, Always a big hug and kiss before you left. My world will not be the same without you. We all know God wanted you with him because you were truly an angel on earth. With a heavy broken heart, I will miss you, Rest In Peace. LOVE , Diane Decker and family. XOXO

*I had forgotten about that! Gina would put bubble wrap on the floor when she knew a load was coming out, then gesture for us to watch. It was so much fun, as Gina always was.*

*What a great memory. She loved all of you so much. My favorite was the "Potty Trays" I would be so confused and say "Ma, you made party trays??" and she would reply "That's what I said potty trays. Its not my fault you can't understand me"*

*Of course there was the time she called me from IN the cooler and had wedged herself in and couldn't get out. When I asked her if she needed me to call the store for help she said "NO!! I can call myself. I just wanted you to know I was stuck in the cooler" LOL*

*“ I worked with Gina at Kroger. She was the life of the party and taught me so much. My daughter, who also worked there, knew her as the guacamole lady. She would announce “Guaca-guaca” as she brought it out, and no one made it better. She was so proud of her daughter and grandchildren. The world is dimmer without her.*
