“ Dear Grace, Tony, Joe, and Leo, my heart goes out to you all . may your husband and dad rest in peace and may his memory be a blessing , he will be missed and you`ll have a lot of tears , but god will heal you in time , i know he will because I've been there , but you`ll never forget him , when tears come let them out then dry your eyes and go on with your day, he can see you and seeing you cry will make him sad and you don`t want that, dearest brother in law you will be missed , watch over us all we love you.  
your sister, Kay
