“ I grew up and went to school with her children. I always remembered her as being a sweet and very lady like. She always would greet me with a cheerful smile and made me feel very welcomed. I noticed from her obituary that she like watching Ted Turner Classics. That made me smile because my mom, God rest her soul, loved watching them too. It is hard losing a parent, especially your mother. I grieved with you. Bill Rey

“ With deepest sympathy we remember "Gloria". Gloria was a great lady, wife, and mother. We had the pleasure of being Gloria's next door neighbors for many many years. She always had kind words to say and did acts of kindness in so many ways. She devoted her life to her family. She was a proud lady. We will miss her so, so, so, much. We love her.
