“ I was Graham’s Counselor while he was in RO Schools. He will forever be imprinted in my heart. He was the kindest and most beautiful soul. My heart was broken by this news. I wish I had known as I would have come to the service in his honor. If there is anything I can do, please let me know. He will be forever missed. The world needs to be filled with Graham’s! Heaven is blessed to get him.

“ Although we did not know Graham personally, we have often had the pleasure of visiting with his father on holidays at his cousin's house, John Lawler's. I just wanted to take the time to say how very very sorry I am for such a loss. I am signing this in the name of my family, the Ivanoffs, Stephanie, Kathleen, Melissa and Patricia Ivanoff.

“ Graham is one of the nicer people I've met in my lifetime. He's a key member of such an awesome and welcoming friend group, and I believe his kind hearted positive attitude kept some of us hooligans in check. I met him while attending college at WMU, and he seemed to always have an energy that brought peace and laughter into many of our hearts. I can't imagine what this tragic loss must feel like for those of you who were closest to him. If any of his friends who know me and would like talk about anything, I'm available with an open ear.

*With Love,*

“Hey my big buddy, "uncle Besh" misses you already. Your gentle, kindhearted soul not being around leaves a gapping hole in our family and in our hearts. We love you and will carry your memory in our hearts forever. Praying God gives us all the strength needed as we figure out living without that smile of yours. Peace and love/Aunt Beth

“I love you Teddy.. with my whole heart. I'm beyond grateful for you and the love we were able to share.. From all our adventures, to making music together, and simply just laughing until it hurt. You had the kindest most gentle heart.. such beautiful eyes and that smile.. God I love your smile. I will continue on with our plans and I'll keep making music.. You always loved when I played my music.. I know you'll always be listening. We will always have a piece of you in our hearts. And when we see that Taco Bell sign, we will think of your smile. You touched many.. and you are SO loved by many. You will FOREVER be my Teddy Sunshine. Thank you for giving me the greatest love.

“ *Graham I don’t what to say. We will miss your smile and the way that you entered the room. I personal will miss the conversations we would have about different types of vehicles that are made today and future vehicles that are coming. I have to say that it kind of made me laugh that you knew all of the cars that your boss owned. You are a great young man that did not deserve this. We are absolutely devastated by losing you so soon. You will missed dearly. We all love you so much.*

*I love you so much Graham.*

*I will see you again someday and I know that you will show me the way.*

“ *Jackie, Joshua and all -- My heart has broken right along with yours. I hope knowing how much so many of us love Graham --and all of you-- can help sustain you as you grieve this horrible loss. In time, may the knowledge of how much Graham loved each of you, along with wonderful memories, ease the pain and help you smile again.*
